

## Tiffin School Charging Policy

Tiffin School is required through its funding agreement to comply with the law on charging for school activities.

### **Introduction**

Education legislation demands that schools, subject to certain exceptions, may not charge for education provided during school hours. However, schools are permitted to charge for other items and experiences provided to the pupils. Schools may also invite voluntary contributions to help support these provisions. Schools have a duty to inform parents on low incomes and in receipt of certain benefits that support is available towards some costs when they are being asked to make contributions e.g. towards school visits.

The governing body has established this policy for certain activities. The purpose of this policy is to clarify which items and experiences that the school provides may have a levy charged upon them and how much of the cost the school expects parents to be charged.

### **1. Educational activities and trips taking place in school time (or outside school time, if required by an examination syllabus)**

Parents will be asked to provide voluntary contributions towards such activities and trips. In such cases communications will be sent to parents stating:

- i) the voluntary contribution requested;
- ii) that no student will be disadvantaged if a contribution is not made;
- iii) that without a stated amount of voluntary contributions the trip will be unable to proceed.

Charges will be levied for:

- i) musical instrument tuition for individuals and groups of up to four;
- ii) board and lodging on residential trips.

### **2. Optional Educational Activities and Trips taking place outside school time or that are not required by an examination syllabus**

Will be charged for.

### **3. Work Experience**

Students are encouraged to have a period of work experience in Year 11 and in Year 12. If applicable parents will be asked to make a fixed contribution towards the costs of the Health & Safety checks that have to be carried out by the local authority.
