

## **Links with the Wider Community**

Students are taught to appreciate and take responsibility for the environment. Students and community benefit from visits to local community groups, public performance opportunities, the Duke of Edinburgh scheme, and fundraising activities.

## **British Values**

The Government set out its definition of 'British Values' in the 2011 [Prevent Strategy](#) and 2023 [Prevent Duty Guidance](#). Tiffin School reflects 'British Values' in all that we do, and we promote 'British values' through our PHSE/RSE education, which permeates through the school's curriculum and supports the development of the 'whole student'.

## **The 'Prevent' Strategy**

The Prevent strategy is nationwide and forms part of the Government's counter-terrorism measures. 'Prevent' aims to stop people from becoming terrorists, or supporting terrorism. Each police force within the country has a unit which is focussed on the 'Prevent' strategy.
