

Year 13 Students Celebrate Exceptional A-level Results

2026

Our Year 13 students are celebrating an exceptional set of A-level results, continuing Tiffin's strong record of academic achievement and opening the door to a wide range of exciting opportunities for their next steps.

We are incredibly proud of the determination, resilience and integrity our students have shown throughout their time at Tiffin. Their results are a testament to their hard work, commitment and ambition, and they deserve enormous credit for what they have achieved.

This year's results continue Tiffin's long-standing record of strong academic performance, with our **highest ever percentage of A* grades**. They maintain the consistently high standards our students have achieved over many years and reinforce Tiffin's position among the strongest-performing schools nationally.

Results and destinations

We are delighted that our students' achievements will enable them to progress to a wide range of universities, further study, employment and other exciting destinations. Their destinations reflect the breadth of their interests, talents and ambitions, and we look forward to seeing them take these next steps.

At Tiffin, we believe education is not just about examination results. We are proud not only of what our students have achieved academically, but of the young adults they have become.

Throughout their time at Tiffin, our students have embraced challenge, contributed to our community and supported those around them. Our values of Belonging, Learning and Giving are central to this experience, encouraging students to develop their interests, pursue their ambitions and make a positive contribution to the lives of others.

We would like to thank our staff for the dedication, expertise and encouragement they have given our students, and our parents and carers for the support they have provided throughout their children's time at Tiffin.

Congratulations to the Class of 2026

Above all, today is a celebration of our students and their achievements. We are immensely proud of every member of the Class of 2026 and wish them every success as they begin the next chapter of their lives.

We look forward to seeing them flourish and to hearing about all they go on to achieve.

Congratulations Year 13 – you should be incredibly proud of yourselves.
